Electronic Giving

We are pleased to offer a convenient way to make your regular offerings. With electronic giving, you can easily set up a recurring giving schedule and/or make one-time contributions. It's convenient for you and provides much-needed consistency for St. Michael's. Even when travel, illness or other circumstances prevent you from attending services, our church will continue to receive your contributions on an uninterrupted basis.

If you would like to try electronic giving, just click the link below. If you have any questions, or need assistance, please call the office at (850) 438-4985.

Electronic Giving is provided through Vanco Services, LLC - a financial technology company that processes electronic financial transactions and data for more than 25,000 organizations. As a PCI Level 1 Compliant Service Provider, Vanco provides the highest level of security and confidentiality.
